

# IUIH Connect Plus

IUIH Connect Plus connects care for Aboriginal and Torres Strait Islander people transitioning from hospital to primary healthcare and into the community.

The IUIH Connect Plus team is committed to working together with all providers and stakeholders to provide culturally safe quality care for clients and their families.

## IUIH Connect Plus Services

IUIH Connect Plus connects clients and their families to a wide range of services and support, including but not limited to:

- IUIH Network clinics for GP Services, support for health checks and chronic disease care planning
- Mums and Bubs team for antenatal and post-natal services including to the Australian Nurse Family Partnerships Program team
- IUIH Home Support and other Aged Care community providers including for Regional Assessment Service (RAS) registration and assessment
- Allied Health Services i.e. Occupational Therapy
- Hospital and home visits to develop connections, assess needs and provide advocacy
- Transport to and from medical appointments
- Legal Aid services
- Cultural support
- End of life care support
- Social support
